

Customer connection powered by an integrated credit ecosystem

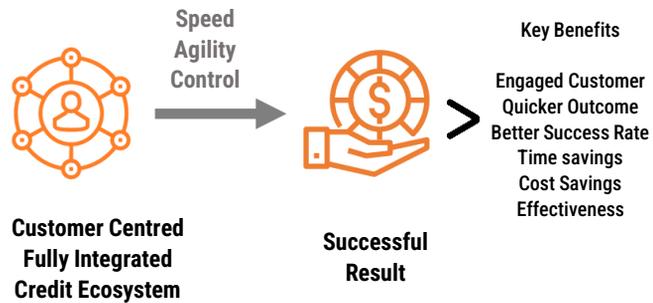

Experts in the credit management ecosystem, Access Mercantile Services have knowledgeable, dedicated and specialised resources to ensure we keep your customer engaged and protect your brand. With a fully integrated end to end credit management model, underpinned by innovation and technology, we act quickly and with agility to deliver a high success rate for your business. Access Mercantile is ISO accredited, fully compliant & industry affiliated.

ACE is Access' Credit Ecosystem.

Covering the full credit spectrum, giving flexibility to move with speed and agility within the ecosystem.

Our Uniqueness is your biggest value

- ▶ Credit managed solutions across the full collection spectrum
- ▶ Speed & Agility is achieved, with a customised customer approach for the best result
- ▶ Less relationships to manage providing greater control
- ▶ Protecting brand and reputation
- ▶ Reducing internal and external time and costs
- ▶ High success rate, faster results

Access Mercantile has a unique ability to respond to customers behaviours. Supported by trained experts, activity is moved and sometimes repeated, seamlessly within our team to achieve an outcome. Customers are engaged as they identify and interact with one primary supplier.
